

Help Restore & Protect BEAR CREEK & OLD ROAD BAY

Please come to...

A community meeting about your watershed

Sponsored by:

Baltimore County Department of Environmental Protection & Sustainability (EPS)

- Find out about the Small Watershed Action Plan (SWAP) now underway
- See how a SWAP will improve your community and water quality...all the way to the Bay!
- Get updates on the current conditions in the watershed
- Vote on actions to take to protect and restore the watershed!

Baltimore County Department of Environmental Protection and Sustainability would like to thank its program funding partners, including the U.S. Environmental Protection Agency Chesapeake Bay Implementation Grant Program, the Maryland Department of Natural Resources, and the Chesapeake Bay Trust.

Although this project is funded in part by the Environmental Protection Agency, it does not necessarily reflect the opinion or position of the EPA.
